

Project Brief

3500 South; 2700 West to Redwood Road

**2007 Legislative
Update**

Provided By:

Project Description: CONSTRUCTION, Roadway Reconstruction & Widening

This is Phase One of the 3500 South Construction Project. Plans call for widening 3500 South to three through lanes in each direction between Decker Lake Drive (2200 West) and 2700 West. Modifications will also be made to the off-ramps leading from I-215 to 3500 South. Construction for this project has been delayed until funding can be determined.

A Public Information Manager will be assigned to this project, to work with local businesses, residents and commuters prior to and during construction.

**Commission
Approved
Project Budget:**
\$13,750,000

**Anticipated
Schedule:**
Construction –
To be determined
